Dear Senator Green and Representative Bumstead:

Pursuant to Section 1001, PA 59 of 2013, the Department of Natural Resources (DNR) is required to submit a report on amounts appropriated, based on federal pass-through funds received in excess of the original amount appropriated for grants to communities – federal oil, gas, and timber payments, where additional state matching funds are not required. For fiscal year 2012-13, \$526,000 of additional authority was provided to the grants to communities – federal oil, gas, and timber payments line item, based on federal pass-through revenue received in excess of the original amount appropriated (federal Department of Agriculture authority, based on excess timber pass-through revenue). No state matching funds were required for the additional federal authority, which was provided pursuant to Section 1001, PA 200 of 2012.

Sincerely,

Sharon M. Schafer, Chief
